GRANNY-SQUARE HEADBAND

What you need:

- Yarn and Colors Cheerful yarn;
- 5,5mm hook;
- Measuring tape;
- Scissors;
- Darning Needle;

Final Measurements:

9x9cm (the granny-square could be bigger/smaller depending on your yarn thickness)

Stiches and Abbreviations:

Instructions are written using US terminology.

ch = chain;
st = stich;
sl st = slip stitch
sc = single crochet
dc = double crochet

Beginning and 1st round

Ch 4 and create a loop by sl st in the first ch; *ch 3, 1 sc in the center of the loop*. Repeat from * to * 6 more times. (see image 1)

To complete the first round ch 3 and sl st in the first ch you made at the beginning of the round. At the end of this first round you should have 8 ch 3 space.

INSTRUCTIONS

Round 2

Turn your work at the beginning of a new round. You can keep crocheting with the same yarn or you can change color.

Either way start the new round with ch 5, in one of the ch 3 spaces you create in the first round, then work 2 dc in the same ch 3 space. * Work 2 dc in the next ch 3 space; in the next ch3 space make a corner as it follows: 2 dc, ch 2, 2dc*. Repeat from * to * 2 till the end of the round. To close the 2nd round, sl st in 3rd ch of that ch 5 of the start. (see *image 2*)

image 2

Round 3

The 3rd round is the last round of this granny square. It's worked with the same steps of round 2, the only difference is that to create each corner you're going to work 3 dc, ch 2, 3 dc.

Close the last round with a sl st in 3rd ch of the beginning ch 5 or with a sewn bind off in the 4th ch. Wave in all the ends.

Join the granny squares

To create the headband join together all the granny squares. Take two granny squares and place them one over the other with the front facing each other. (see *image 3*)

Tie a knot to fasten together two corners (see *image 4*), sl st in the corner and then go through both st of the two granny squares, make sc all the way down. When you get to the end go through both corners, ch 1 and cut the yarn. (see *image 5*) Wave in the ends.
